

# Break out

## pioneer gathering

### What pioneers from last years gathering say...

"Its brilliant to be at Breakout with a community that is spontaneous, creative and intuitive."

"Mainly its been great to have the chance to sit and chat and dream together. As a younger pioneer its been brilliant to learn from old hands."

"Great as usual to have time to reflect on my own context and practice, to network with other pioneers and to hear their stories."

"I really enjoyed it and have loads to think about and distil."

"As a newcomer the breadth of content, experience and style was huge and contributed to my learning greatly."

The annual meeting place for pioneers

This year is slightly different as we want to create our own learning community so that we learn together so pioneers from each other at the gathering. We will be exploring together in different ways the responsibilities and vulnerabilities of being pioneers

**High Leigh  
Conference Centre**

# Break out pioneer gathering

Weds 30 Sept – Fri 02 Oct 2015  
High Leigh Conference Centre  
Hoddesdon EN11 8SG

At this years gathering we want to explore together what a 'stripped back' pioneer might look like to help us reflect on our own anchor points and the support we might require. We will be hearing lots of our stories to help us think imaginatively about our own situations. Growth and multiplication are becoming buzz words in our churches and so we will be asking how this might impact our work as pioneers. This year for the first time there will also be a stream for 'new pioneers' as part of our programme. As usual there will be plenty of time for meeting old and new friends, having fun, worshipping together and relaxing. This year we have a very special 'Thursday night experience' that you will not want to miss!

## REGISTRATION

Bookings need to be made through our online page, where you can pay by credit card.

To book your place go to:

[www.breakoutpioneer.org.uk/index.php/how-do-i-book.php](http://www.breakoutpioneer.org.uk/index.php/how-do-i-book.php)
